NATURMANIA®

JACK FIELD

ENGLISH VERSION

NATURMANIA, proud of its 33 years of expertise is pleased to add to its range of products the collections of the Jackfield brand, following its acquisition in 2025. We have worked to rebuild the inventories and blend both operations in the past year. We are ready to serve you with all the efficiency you deserve.

Welcome to our world !

NEW COLLECTION

EVA TECHNOLOGY

EVA
TECHNOLOGY

EFFICIENCY AND FREEDOM

EVA is one of the most insulating materials on the market because it uses air as a thermal insulator.

Microbubbles of air are trapped in the hull, creating a high-performance barrier against the cold.

EVA design, which is lighter than leather, rubber and neoprene, absorbs shocks while providing better support for the foot in snow, on ice, in mud or sand.

EVA BOOTS

-10 °C (14 °F)

Color shown : black

J1232

BLACK EVA SAFETY BOOT, COMPOSITE TOE, KEVLAR MIDSOLE

Boots designed for work and leisure in conditions of negative temperatures up to -10°C, resistant to weather, acids, alkalis, oil and grease.

100% EVA (70% lighter than the other waterproof boots in rubber or PVC) Antimicrobial. Abrasion and flex resistant outer shell and outsole. Reinforced malleolus areas. Energy absorption at the heel. Reinforced toes and heel. Composite toe resistant to an impact of 200 joules and resists compression up to 1500 Newtons. Kevlar midsole can be puncture resistant up to 1100 Newton. Slip-resistant and self cleaning sole.

Cold resistance : -10° C

NATURMANIA 2026-2027 CATALOG !

WARRANTY AND MERCHANDISE RETURN POLICY

WARRANTY:

The products of all brands belonging to **Naturmania** are manufactured with high quality standards.
Naturmania will repair or replace, at no extra charge, any product that proves to be defective in workmanship or materials. Warranty is for defective products, not for products broken due to abusive use or normal wear of the product.

The warranty will be respected for defective products under normal use only. Warranty apply for one year from the date of purchase.

MERCHANDISE RETURNED FOR WARRANTY:

Please read the warranty policy to make sure that it covers the returned product.

All products must be inspected thoroughly in order to identify the defective workmanship or material. There is no warranty on damaged products due to misuse or abuse. The defect must be clearly identified on the products.

DO NOT EXCHANGE AT THE COUNTER (1)

(1) If the warranty is applicable, we will repair and send you back the product.
If the product cannot be repaired, we will replace it.
If we do not have the product in stock and cannot replace it, we will credit it.

HERE ARE THE PROCEDURES TO FOLLOW WHEN RETURNING A DEFECTIVE PRODUCT:

1. For each product returned, you must identify the item number and the size of the product, the defect and where it is located.
2. Contact the person in charge of returns at **Naturmania inc.** to receive a return authorization number.
3. Make sure to write this number on the box.
4. All products returned for warranty must be sent prepaid.
   Any parcel without return authorization number and/or not prepaid, will be refused and returned to the sender.
5. Naturmania keeps the right to inspect the defective product returned in order to establish whether or not the item is covered by the. warranty.
6. No return will be accepted without return authorization number clearly indicated on the box.
7. Please provide consumer's printed proof of purchase.

SPECIAL NOTE ON WADERS:

Rubber, nylon, PVC and neoprene materials are not breathable. Condensation may occur inside. This does not mean that the waders are leaking. It is important to know the difference between a leaking problem or body perspiration. Identify the leaking area on the waders to help our verification.

A repair kit is included with some waders for accidental punctures or tears. We do not replace or credit products that are either worn defective or altered in anyway.

IN CONCLUSION:

We guarantee defects due to: Workmanship or faulty material.

We do not guarantee: Normal wear
Abuse
Misuse
Accidental damage

Note: For more information on our warranty coverage, call at our toll free number:
